### 5. How much funding can I apply for?

Eligible applicants can apply for RED Grants funding of up to \$250,000 for individual projects in Round 7.

### 6. What if am not registered for GST?

Applicants can still apply for grants if they are not registered for GST concessions. Unregistered grant applications must provide the Great Southern Development Commission with a budget for the amount of the grant inclusive of all project costs including GST.

If you are not registered for GST concessions and need further clarification, please contact the Great Southern Development Commission prior to submitting your application.

Funding provided to recipients under the Grant is regarded as payment for a supply. GST registered grant recipients will therefore be liable for GST in connection with the grant.

Applicants are encouraged to seek independent tax and financial advice on the potential implications of obtaining funding, including the impact on assessable income.

### **7. Does my organisation have to be regionally based to apply?**

The RED Grants are targeted at providing financial assistance to regionally based organisations.

Organisations outside the region may apply, but will need to demonstrate significant, sustainable regional benefits and a commitment to local decision-making, planning and delivery.

### **8. How are applications assessed and how soon after applying will I know if I am successful or not?**

The Commission undertakes a rigorous assessment process of all applications. Applicants should allow up to six months for the RED Grants approval process which should be considered by applicants in developing your project planning and commencement timeframes.

The assessment criteria and decision-making process used to assess and consider applications are provided in the RED Grants guidelines. Assessors are required to declare any potential conflicts of interest they may have in relation to individual projects.

### **9. How many applications are funded per Round?**

There is no limit on the number of applications funded per round however, there are limited funds available in each region.

### **10. Can I submit an application for funding in more than one region?**

Where funding is sought for projects across multiple regions, applicants will be required to submit separate applications to each Regional Development Commission (RDC) as they will be assessed independently by each RDC.

Applicants must seek advice on their project proposal from each relevant RDC within which funding is sought. Each region has differing regional priorities, assessment panels and grant funding available. The GSDC can facilitate an inter-agency meeting with other RDCs if required, to discuss cross regional projects.

### **11. If I am unsuccessful this round, can I still apply when the next round opens?**

Upon notification of being unsuccessful, applicants can contact the GSDC to discuss the outcome of the assessment and how the application/project might be amended for consideration in any future rounds.

### **12. When is the next round?**

Future rounds for the RED Grants have not yet been announced. Prospective applicants are encouraged to email the GSDC on [gdo@gcdc.wa.gov.au](mailto:gdo@gcdc.wa.gov.au) to be added to the RED grant mailing list.
